TO: LISD Principals and all the LISD Team

FROM: Roberto Cuellar Jr., Director for Child Nutrition Program

RE: **Evaluating Grab n' Go Curbside Meals Procedures**

DATE: March 31, 2020

I want to express my gratitude and thank all of the LISD Team (Child Nutrition Staff, Custodian Staff, Security Guards/Police Officers, School Teachers and all of our Principals) for collaborating and working together last week in Cultivating Champions – which are the Children, through the nutritious grab n go curbside breakfast and lunch meals that were distributed in over 26 school sites!

As most of you are aware, the Texas Department of Agriculture (TDA) issued new guidelines on parents or guardians picking up meals with no children present in the vehicle. Before initiating any new guidelines/procedures, we will be observing very closely this week the Grab n' Go curbside meals before making a determination on implementing the waiver guidelines that TDA set out. So for now, as it stands, we will need to let the parents and/or guardians know that LISD is still requiring for the child to be present in the vehicle.

Again, I want to extend a big thank you to all the LISD team for stepping it up and going that extra mile providing the very best in customer service and nutritious meals.

I am happy to share that last week alone LISD Child Nutrition Program served a total of over 79,000 meals! This is a great achievement and I have no doubt in my mind that we may be close or even surpass the total number of meals that we serve during the 3 month summer feeding program which is over 150,000 meals.

Thank you!
